

A Message from the CEO
24/03/2020

On behalf of Joburg Ballet I wish to extend our gratitude to all who donated to the ballet company the money they had spent on tickets to performances of *Don Quixote* which were cancelled due to the COVID-19 crisis.

The cancellation of six of the season's ten performances has obviously had an impact on Joburg Ballet and your generosity will help the ballet company through the tough times ahead.

The Joburg Theatre booking office has endeavoured to contact all holding tickets for cancelled performances of *Don Quixote* to offer the option of claiming a refund or making a donation to the ballet company.

If you have any ticket related queries, please do not contact Joburg Ballet but Joburg Theatre on 011 877 6853 or 011 877 6917 or email info@joburgtheatre.com.

We thank you all for your support.
Keep safe and stay well.

Sincerely

Esther Nasser
CEO, Joburg Ballet
